with black facial hair, wearing a ball cap and a black or dark colored t-shirt, sitting on the front porch of unit number 2. [REDACTED] determined the white male was Joshua Leff, based on photographs he had seen of the subject. Later that same day, [REDACTED] observed two newly posted videos on social media platform Gab, from Leff espousing his hatred towards various minority groups. During this video recording, Leff filmed himself standing in front of 205 3rd Street and used the large flowering Bougainvillea bush as his backdrop. The structure/property in the background also matched what [REDACTED] observed during the spot checks. The person in the video was the same person that [REDACTED] observed sitting on the front porch of unit 2 on Thursday, May 9, 2019.

6. Upon confirming the identity and residence of Joshua Leff, your Affiant conducted a background investigation of the subject and confirmed that on February 13, 2002, in the Circuit Court of Broward County, Florida, Joshua John Leff was adjudicated guilty of one count of Possession of Cannabis with Intent to Sell or Deliver, a third degree felony. Based on this conviction, your Affiant determined that Joshua Leff is a convicted felon that is not allowed to have in his care, custody, possession, or control any firearm or ammunition per Florida State Statute 790.23(1)(a). Your Affiant further confirmed with the Florida Clemency Board that Joshua Leff has not had his rights restored to possess a firearm or ammunition. Accordingly, your Affiant continued to investigate instances where Leff was in possession of a firearm, in direct violation of the above noted statute.

9. Your Affiant has confirmed through Residential Lease Agreements that Joshua Leff resided at 205 3rd Street, Unit #1 and is currently residing at 205 3rd Street, Unit # 2, Fort Myers, Florida 3307.

10. Your Affiant conducted further review of Joshua Leff's Gab and BitChute accounts and determined that he has posted over 120 videos since May 2018. Based on his training and experience, your Affiant identified numerous photos and videos where Leff is seen in possession of suspected firearms; a brief overview of those incidents is as follows:

11. Leff's first post on May 10, 2018, titled "Israel will fall" is a slideshow that includes a picture of Leff holding a rifle that appears similar to an AR-15, hereinafter described as a suspected AR-15, with the words "I will not go gentle into that good night..." next to the picture.

12. On May 24, 2018, Leff's post titled "Boiling Point" is a video of himself complaining about what America has done wrong, like not sending the black people back to Africa and opening the door to multiculturalism and inclusiveness, which was because of the Jews. Leff goes on to say the Jews mission is to subjugate and enslave the entire population of the earth, with the intention to destroy the white race. Leff's anger grows as the video continues and he states how he is tired of the way things are and that nothing is being done about it. Leff states, "For all you haters out there, let me remind you" at which point he picks up what is suspected to be a handgun, holds it up near his face and says, "Never leave home without it. Come and get some." Leff puts the suspected handgun down and comments, "And keep in mind, that's just the one I'm showing you."

13. On August 5, 2018, Leff's post titled "If you love America" is a slideshow containing several well-known individuals to include George Zimmerman, Dylan Roof (white supremacist and mass murderer convicted for perpetrating the Charleston church shooting), David Duke (white supremacist and former Grand Wizard of the Ku Klux Klan), and Leff himself. Leff is shown in one slideshow picture holding a suspected AR-15 and then in the very next slide, Leff is holding and pointing a suspected handgun toward the point of view. The barrel is consistent with the firearm in pics from a May 24, 2018 BitChute post and an April 11, 2019 Gab post.

14. On October 9, 2018, Leff's post titled "Reality Check" is a video of himself, holding what appears to be a black in color, single-barrel, pump-action, pistol grip shotgun through the entire length of 13:48 video. Throughout the video, Leff talks about his hatred for homosexuals, Jews, and black people and how they all should be taken out of the country.

15. On October 28, 2018, Leff's post titled "The Caravan" is a slideshow of different pictures while Leff narrates about his extreme disagreement with the caravan of immigrants coming to America. There is a picture of Leff holding a suspected AR-15 during the slideshow.

16. On January 21, 2019, Leff's post titled "Critical Mass is Approaching" is a slideshow that includes a picture of Leff holding a suspected AR-15 with the words "I will not go gentle into that good night..." next to the picture.

17. On April 8, 2019, Leff's post titled "Blood and Soil" is a slideshow of different pictures while Leff narrates about his hatred for homosexuals, transgenders, and race mixing. There are two pictures

in the slideshow, shown side by side, of Leff holding a suspected AR-15 in each. After the suspected AR-15 pictures, Leff continues narrating about the fear homosexuals have for the right to bear arms because "they live in terror of our coming vengeance."

18. On April 26, 2019, Leff's post titled "Owen Benjamin reported my YouTube channel and got it banned" is a video of Leff complaining how Benjamin, an alt-right political commentator, got Leff's channel removed from YouTube. Leff is furious throughout the video, stating "I don't care if you can dunk a basketball. Because I can slam your fucking face on the ground. Okay. You don't want none of this you fucking piece of shit faggot. I will fuck you up. I will gouge out your eyes and skull fuck you, you kike puppet!"

19. On April 26, 2019, Leff's post titled "My Love" is a video of Leff on the porch of his residence. In the video Leff states "Gays don't deserve rights. They have the right to die and that's it. That is it. When the civil war comes, and it is going to come...I'm collecting fucking scalps." Leff comes in closer to the camera and repeats "I'm collecting fucking scalps!"

20. On April 29, 2019, Leff's post titled "Reaction to the California Synagogue Shooting" is a video of Fox News televising the aftermath of the California Synagogue shooting, while Leff is saying "Let her burn in hell!" referencing a female victim and "I want more of these synagogues to get shot up."

21. On June 1, 2019, Leff's post titled "Let's talk about life" is a video of Leff commenting on how unhappy, miserable and depressed he has been for the past 3 to 4 weeks. At the beginning of the video, Leff says, "When I was younger, my father told me that certain knowledge can bring about long lasting misery and he was right. Because the deeper and deeper I tumble down this rabbit hole, the more shit I learn, the more miserable I am, and the more I understand why he ate his gun. I get it. I fucking get it." Later in the video, Leff says "Shit sucks man. You can have everything you want in life and still be fucking miserable. I've got a good job. I make good fucking money. I got full custody of my kids, you know. I got grown up toys, you know. I'm not going to get into specifics like calibers and what not because the internet is not the place to brag on your fucking firearms because all this shit is kiked and everybody is fucking watching to spy on you anyway, so I ain't going there".

22. On June 5, 2019, Leff's post titled "Keep your eyes on the ball folks" starts with a picture of Leff holding the same suspected shotgun from a previous video.

23. Special Agent Negrinelli presented the above referenced videos and/or pictures of Leff holding firearms to Special Agent Ron Muniz, a certified Firearms Instructor in the State of Florida with over twenty-one years of law enforcement experience, to include serving as a Special Weapons and Tactics Team Leader and a supervisor assigned to a Firearms Task Force. Based on Special Agent Muniz's training and experience, his review of three screenshot photos from a May 24, 2018 BitChute post and an April 11, 2019 Gab post, Special Agent Muniz was able to determine the consistent characteristics of a small caliber semiautomatic handgun.

24. Leff has also posted comments on Gab account, Paul Atreides@DarkLord79 since June 10, 2018. Leff labels Dylan Roof and other mass shooters as heroes. He has created and posted videos after the New Zealand Mosque shootings and the California Synagogue shooting, expressing his approval and wished they had killed more.

25. On March 15, 2019, the same day of the New Zealand Mosque shooting, Leff posted on his Gab account a pic of dead victims taken from the gunman's Facebook Live stream and wrote, "They should go ahead and use this meat and feed it to other Muslims and immigrants. After all, they deserve no better. Stop leaching off of white nations brown people!"

26. On April 16, 2019, Leff posted on his Gab account "After being back on Twitter for less than 24 hours I have the overwhelming urge to put my 9mm in my mouth and squeeze the trigger. Nothing is ever going to change unless we as white people actually commit to this race war we were born into, and start killing niggers, faggots, Jews, and wetbacks. The white race has a choice: fight, or lay down with a nigger and die."

27. On April 26, 2019, Leff posted on his Gab account "I hope it does, and I hope for you to be tortured and slowly killed, faggot cuck troll. Civil war is coming, and that makes me very happy, I look forward to slaughtering liberals, gays, Jews, and niggers."

28. On April 29, 2019, after the California Synagogue shooting that occurred two days prior, Leff posted on his Gab account "Dead Jews always bring a smile to my face."

29. On June 14, 2019, Special Agent Gary Negrinelli obtained a search warrant for Leff's residence, located at 205 3rd Street, Apartment 2, Fort Myers, Florida 33907, and said search warrant was executed on same day, at approximately 1359 hours. Leff was present during the execution of search warrant, [REDACTED] During the search, two firearms were located in Leff's bedroom, a 12 gauge Steven's model 320 shotgun, serial number [REDACTED] and a "Bersa" .380 semiautomatic pistol, serial number [REDACTED]. Also located in Leff's bedroom was ammunition, specifically 28 12 gauge shotgun rounds and 66 rounds of .380 caliber. Also seized were three handgun holsters, two .380 magazines, a number of digital devices capable of uploading content to the internet, one book, "The apparatus of Death", four handwritten notes and one binder with handwritten notes.

30. Agent Negrinelli advised Leff of his Miranda rights by reading from a prepared card while at his residence. Leff agreed to speak with SA Negrinelli so Leff was brought to the FDLE Fort Myers Regional Operation Center located at 4700 Terminal Drive, Fort Myers, Florida. Once there, Leff was brought to an interview room, where the interview was audio and video recorded. Agent Negrinelli again advised Leff of his Miranda rights and Leff sign a prepared FDLE Constitutional Rights and Waiver of Rights form.

[REDACTED]

32. Leff was charged with one count of Possession of a Firearm by Convicted Felon and one count of Written Threats to Kill, do bodily
